

Gillian Cussen, a local artist, worked with the pupils of Clondulane N.S. They chose the Blackwater as their theme and created a selection of canvases to express the life and activities enjoyed on our local waterway.

**Here are some photos of the work in progress:-**

**We are very proud of the fabulous paintings and sculptures we made with Gillian's help. Thanks very much Gillian. Scroll down to see the finished product - hope you like it as much as we do!**

**We had an Art Exhibition to show off our brilliant art work.**

**This project was supported by a grant from Cork County Council.**
